Professor or Associate Professor

Shizuoka University invites applications from geoscientists for a post of professor or associate professor in the Geodynamics Course in the Institute of Geoscience as a faculty member.

Specialty

We are looking for an outstanding scholar, mentor, and teacher to join our institute. The ideal candidate will be a leader in the field of geodynamics research and education. S/he must hold a Ph.D. in/around this field. Research and/or teaching experience are preferred in one of the following areas: seismology, geodesy, geochemistry, mineralogy, petrology, tectonics, and so on. External grant experience is a plus.

The candidate will teach undergraduate (B.S.) and graduate (M.S) courses in geoscience and is also expected education of the foundation course in the university. Opportunities also exist for teaching and advising in the graduate school of the Science and Technology Doctoral Program in the university.

Terms and conditions

The position will begin as soon as possible on and after April 1, 2013. Salary will be commensurate with experience.

Application

Candidates should prepare following documents either in English or Japanese.

1) CV (include lists of given research awards, external grant, and administration/educational contributions to your institutes, conferences and communities)
2) Report of your research and educational activities in approximately 2000-words/3000-letters in English/Japanese.
3) List of publications
   ① Refereed original papers and reviews (divide lists into English/Japanese)
   ② Other papers or reviews (divide lists into English/Japanese)
   ③ Books
4) Reprints of your major papers (up to five) attaching their abstracts.
5) Personal statement of teaching and research philosophies/plans in 2000-words/3000-letters in English/Japanese.
6) List of names, e-mail addresses and phone numbers of two professional references.

Deadline and interviews

Full consideration will be given to applications received by post mail by November 16, 2012. Please make a notation “Application for Professor/Associate Professor” on the envelope.

Applicants may be interviewed or asked to have a talk (Traveling expenses will not be paid). Note that the documents will not be returned. The review will continue until the position has been filled. For further information regarding application procedures, please contact Akira Tsukagoshi at satukag@ipc.shizuoka.ac.jp or +81-54-238-4800.
